

Where hope finds a home...

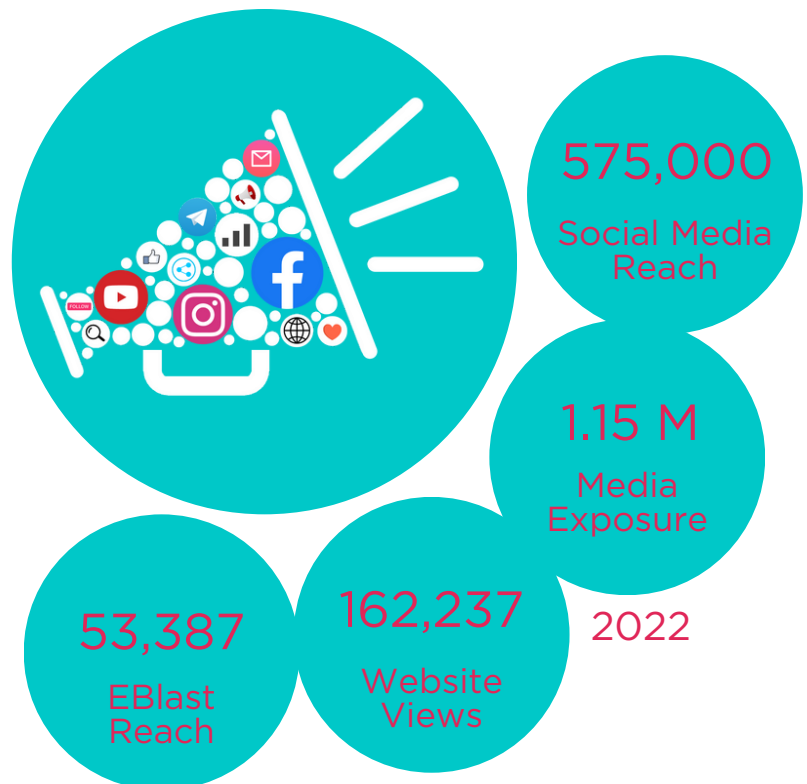

AT A GLANCE

Through photographic exhibits, the Heart Gallery of Tampa introduces our community to children awaiting adoptive families. We provide a platform to inspire our community to improve their quality of life and connect them with Forever Families.

ENHANCING QUALITY OF LIFE

The Heart Gallery of Tampa turns the generosity of our community into hope, smiles, and good days as children wait in foster care to be adopted. Because of our community outreach efforts, we allocated **\$75,843** in 2022 to improving the quality of life for children in the Heart Gallery.

PROGRAM EXPANSION

In late 2021 and 2022, we added two new positions to the Heart Gallery team. Our two Adoptive Family Recruiters help increase and expedite adoption recruitment for children in the Heart Gallery. They review adoption home studies, help match children with prospective adoptive families and support children and families throughout the adoption process. The results have been significant and our Adoption Recruitment Team is making a major impact!
