Heart Gallery Overview

The Heart Gallery of Tampa uses the power of photography, storytelling, and community connection to help children in foster care find adoptive families. Through professional photo and video profiles, traveling exhibits, and community outreach, we help people see beyond a child's circumstances and connect with who they truly are. These connections often become the beginning of a forever family. Our work doesn't stop here. We continue to walk alongside families every step of the way, providing support and resources to help every child thrive.

Sometimes, one connection is all it takes to change a child's life.

What is Be Mine?

Step into a night of fairytales, hope, and happily ever afters.

The Heart Gallery of Tampa invites you to Be Mine 2027: A Happily Ever After, an enchanting evening inspired by fairytales, enchanted gardens, and the magic of finding forever. Our signature annual gala celebrates the joy of families found while bringing hope to children in foster care who are still waiting for theirs. Thanks to the generosity of our individual, community, and corporate sponsors, every dollar raised helps connect children with loving, forever families.

On Friday, February 5, 2027, at 6:00 PM, the Renaissance Tampa International Plaza Hotel will transform into a storybook world filled with whimsical details, twinkling lights, and enchanted charm. Guests are encouraged to embrace the magic by arriving as their favorite storybook character, a modern-day prince or princess, or in whimsical enchanted garden attire. “ On behalf of our family, we want to extend our deepest gratitude for the support, dedication, and compassion you have shown throughout this journey. As we celebrate the adoption of Henry and Talia, we are constantly reminded that none of this would have been possible without the Heart Gallery of Tampa.

We are truly grateful for the role you play in the lives of children and families in our community. Your kindness, guidance, and unwavering belief in families like ours helped make this dream a reality. Because of you, Henry and Talia are home. They are surrounded by love, stability, and a future filled with possibility. Thank you for walking alongside us, for believing in our family, and for the incredible work you do every single day. You do more than support adoptions. You help create families. That is a gift we will carry with us forever. - The Longmire Family ”
